Cleansing one day at a time...the natural way!

Daily Detox[®] formulas were developed from the knowledge passed down for thousands of years by Traditional Chinese Teaologists. These herbs were traditionally used to support the healthy functions of the liver and the kidneys while cleansing the body of toxins.

Our new formulas use only the finest all natural herbs and pan-fried Chinese Green Tea, which is widely known for its legendary cleansing properties. Using only natural flavors, Daily Detox[®] will help to cleanse and refresh your body the natural way.

Daily Detox[®] comes in 4 great tasting flavors and is available in a convenient capsule form for when you are on the go.

Daily Detox® II, a unique blend of 9 herbs, was designed to be an alternating formula for those on a cleansing program or for those just starting one. Continued use of the same formula over extended periods of time makes the body less receptive to the benefits of the tea.
